You'll Never Meet An Angel

It's the end Oh baby you're leaving me It's the end You know that you're killing me It's the pain It's the pain But you'll change your point of view It's the end Oh babe I believed in you You're looking for someone better You say I mistreated you But now it don't really matter

Babe You'll never meet an angel Pray to find a better guy oh baby Hey I've never been an angel Pray You'll never see me cry oh baby

Ooh your heart is too blind Your soul is too cold It's cold as the winter Cold as the winter Your soul is too cold Plazma
