

Beginning of the end

Please the Trees

It was the beginning of the end
When you told me and to the rest of the band
That you've had married the greatest woman
It was the beginning of the end
It was the end
It was the bands end
It was our end

We're good
We're indeed good friends
Or at least that's what we always thought we were
Then came that woman
And it was the beginning of the end
It was the end
It was the bands end
It was our end.
