

Hell On Earth

Please the Trees

ave you heard the news
Hell is here on earth
Have you heard the news
Everything you do will come around
Have you heard the news
You can buy land on the moon

Have you heard the news
Children can only teach you
Have you heard the news
Nature is god and sky is the church
Have you heard the news
No Jesus can save you
Have you heard the news
Hell is here on earth

And man is the devil

Devil lives on rock
Devil lives on rock
Devil lives on rock.
