

Nobody No One

Please the Trees

Oh lord, I'm working on being no one
Oh lord, I'm learning to love myself

I fall out of love
Fall in love with you
I fall out of love
Fall in love with you

Oh lord, I'm learning to build a family
To create a home
Oh lord, I'm learning to love myself

I fall in love
Out of love with you
I fall out of love
Out of love with you
Fall in love
Out of love

I fall in love
Out of love with you
I fall out of love
Out of love with you
I fall out of love
Out of love with you
Fall in love
Out of love
