

## Nobody No One

Please the Trees

Oh lord, I'm working on being no one  
Oh lord, I'm learning to love myself

I fall out of love  
Fall in love with you  
I fall out of love  
Fall in love with you

Oh lord, I'm learning to build a family  
To create a home  
Oh lord, I'm learning to love myself

I fall in love  
Out of love with you  
I fall out of love  
Out of love with you  
Fall in love  
Out of love

I fall in love  
Out of love with you  
I fall out of love  
Out of love with you  
I fall out of love  
Out of love with you  
Fall in love  
Out of love
