

Only Way

Please the Trees

I'll do you no harm
I'll break your arms and legs
If it's the only way
To keep you close to me
If it's the only way

I'll do you no harm
I'll break your arms and legs
If it's the only way
To keep you close

To keep you mine
To keep you mine
To keep you mine
Only mine

I'll do you no harm
I'll break your legs and arms
If it's the only way
To keep you home for a while

I'll do everything I see in your eyes
I'll bring you the blue from the rivers and the skies
I'll bring it all to you

Until your bones heal
And you'll be able to hold a glass

Until your bones heal
And you'll be able to leave me
You'll be able to go

I'll do you no harm
I'll break your legs and arms
If it's the only way
To keep you close to me
If it's the only way
If it's the only way
If it's the only way
