

Above And Beyond

Pleasure P

I know I can't say sorry
To fix the problems I caused
All I need is one more chance, girl
To take away all the pain I done caused

Girl, I love you so much
I never meant to hurt... you so much
Girl I want you that much
That I would do anything, pretty much
Girl cause I don't wanna lose you
Never, girl never
I don't wanna hurt you no more (no more)
I'll do better, so much better

What I'm tryin to say girl
If you promise you will stay girl
I will go above and beyond
Above and beyond for you

I don't care about fame or fortune
It don't mean a thing if I don't have you
Baby I sometimes wish I was perfect
Cause you deserve the best and I wanna give that to you

Girl, I love you so much
I never meant to hurt... you so much
Girl I want you that much
That I would do anything, pretty much
Girl cause I don't wanna lose you
Never, girl never
I don't wanna hurt you no more (no more)
I'll do better, so much better

What I'm tryin to say girl
If you promise you will stay girl
I will go above and beyond
Above and beyond for you

Don't deserve you baby
I love you baby
I miss you baby
Give it all you have, miss you baby
Don't leave me
Don't leave me
Don't leave me
Yea, oh yea
Say yea
Oh yea yea
