

Chocolate Coated Candy

Pleasure P

Yea, yea, yea og chocolate coated candy

Tast lie candy chocolate coated candy oooo, tast like candy chocolate coated candy oooo,

Do it, Do it, Do it work your head down to my wast do it, do it, do it I can tell that you wanna tast do it, do it, do it chocolate coated candy do it, do it, do it baby do it for me I love it I love it you work it back and forth you work it back and forth I love it I love it you move it in and out you move it in and out

We can be cruising in my chevylay I can feel by the look in your eyes you wanna show your freaky side said I got tinted windows we well not be seen go ahead and do your thing ooo said my heart is beating faster now (beating a little faster for you ba) and when you teasin baby don't stop now don't stop it and what's my is yours, and my is yours girl there's nothing I love more then when you

Do it, Do it, Do it work your head down to my wast do it, do it, do it I can tell that you wanna tast do it, do it, do it chocolate coated candy do it, do it, do it baby do it for me I love it I love it you work it back and forth you work it back and forth I love it I love it you move it in and out you move it in and out

We can be in V.I.P or my hotel sweet were in the back of the club you wanna give me love when there you and me just call me and I'll be were ever you like to get that candy by it's like my head is floating in the clouds the way you teasin girl don't stop now what's myna is your what's myna is yours girl there's nothing I love more

Do it, Do it, Do it work your head down to my wast do it, do it, do it I can tell that you wanna tast do it, do it, do it chocolate coated candy do it, do it, do it baby do it for me I love it I love it you work it back and forth you work it back and forth I love it I love it you move it in and out you move it in and out
