

# Did You Wrong

Pleasure P

You know, I want you all to just sit back and think for a second.  
You know what I mean?  
Now, there's a lot of haters out there hating on peoples relationships and s  
tuff.  
Don't nobody wanna see you happy.  
They always try to take your joy, bring you down.  
But you gotta be the one to sit by your mate and say "I'm gonna be with you  
no matter what"  
You know what I'm saying? Fuck it, I did wrong, you did wrong too.  
You know what I'm saying?  
But we gotta put up with each others shit.  
And the easiest thing to do is leave, you dig?  
Anyway, check this out...

I don't want to lose this relationship  
So we gotta stay strong, don't wanna move on  
I know you're sick and tired of the fussing and the fighting, and the cussin  
g  
Well, I love you ... and you love me too

I did you wrong, you did me wrong  
I take you back, you take me back  
I did you wrong girl, you did me wrong girl  
I'll take you back, I'll take you back  
No matter what you do  
No matter what you say  
No matter how far you go  
Don't take your love away  
Because I love you  
And girl, I want you  
And girl, I need you  
So let's just work it out

I ain't tryna waste your time  
And, I ain't tryna waste my time  
There ain't no need to waste no time  
'cause we done put in too much time  
I ain't tryna waste your time  
I ain't tryna waste my time  
Ain't no need to waste no time  
'cause we done put in too much time

When you're in a relationship  
The easiest thing for you to do  
Is to leave  
You gotta stick it out, and work it out  
And stick it out, and work it out  
And stick it out  
'Cause at the end of the day...

I love you baby, I need you in my life.  
You know what I'm saying?  
I'm sick and tired of the arguing and all that good stuff  
I mean, I'm pleading on this track because I really really love you  
And, I really want us to work out  
You know? I want to marry you baby.  
You know? I want you to be in my life for the rest of my life

You know what I'm saying?  
Anyway, I'm just talking a whole lot of jibberjabber  
But uhm me without you is like the moon without the sun  
And the sun without the moon.  
Pleasure P without Pretty Ricky.  
You know what I'm saying?  
A blunt with no dro  
Ecstasy with no body  
You get what I'm saying baby?  
You dig? Aight.. you dig  
Holla at you boy  
I love you
