Pleasure P

your love is so good
gonna make sweet love tonight baby
your body's looking so fly
and you know i'll do it right baby

no question
i'm waiting
how long have i been patience
i'm ready to take you to another level babby

your love so good
it deserves an encore
(deserve an encore)
your love (your love) so good
it deserves an encore

no carry out girl
it's the expensive stuff tonight baby
ooh don;t lift a finger girl
you just lay back and recline babby oh

your body so sexy
i know that you're ready
i'll taste it if you let me
lay back and just trust me girl

your love (your love) so good(so good babe)
it deserves an encore
(deserves an encore)
your love so good
it deserves an encore

we've den had some close incounters girl
some kissing, some touching lets do it again
i wanna know all about you girl
so just let me know
