Pleasure P

Here We Are All Alone
Top Down On The Highway With The Summer Breeze Rowing (Rowing)
Through Your Hair (Hair) In The Air Your Perfume Smells So Good (So Good)
And I Just Can't Stopping Thinking About Things I Wanna Do To You

Ooh those eyes that smile those thighs Ooh
You So Fine Babe
I'm a Bout To Pull This Car Over Right Now
And Pull Your Panties To The Side Babe
See Him Gonna Roll With Lil Kiss
To The Lips In Between Your Hips
We've Been Wanting This For So Damn Long
Now It's Finally Come To This
And I Wanna Make Love
I Wanna Make Love All Night Baby
I'm Gonna Get You Going Crazy
I'm Gonna Take My Time I'm Patient
We've Been Both Anticipating
Our First Time
Yea We're Doing Alot More But Ain't Nothing Like That
First Time
Ain't Nothing Like The First Time
The First Time

Girl I Found That Special Place Inside You
And It Feels Like Heaven
The Seats Are Down The Windows Fogging Up Now
And I'm Finally Doing All The Things That I Wanna To Do To You

Ooh those eyes that smile those thighs Ooh
You So Fine Babe
I'm a Bout To Pull This Car Over Right Now
And Pull Your Panties To The Side Babe
See Him Gonna Roll With Lil Kiss
To The Lips Between Your Hips
We've Been Wanting This For So Damn Long
