## Hush 1.0

**Pleasure P** 

Don't make a sound Baby cause cheaters probably around But ain't no catching us Let's change my name in your phone You need to make sure that when I call he thinks it's you girlfriend I am down with it and you down with it girl we can get it on on Yeah I no people run they mouth but ain't nothing to worry bout So you down with it and am down with it girl we can get it on on on Just dial 143 speak to me and baby we can keep it on the keep keep it on The hush Hush low low secret low code don't let nobody no yeah We can keep it on the hush low low secret low code don't let nobody n o bout Me And you tell then you working out baby only If he no my house is where you always go I know he be there waiting all night Just tell him that your phone went dead when you was really here in m y bed I am down with it and you down with it girl we can get it on on Yeah I no people run they mouth but ain't nothing to worry bout So you down with it and am down with it girl we can get it on on on Just dial 143 speak to me and baby we can keep it on the keep keep it on The hush Hush low low secret low code don't let nobody no yeah We can keep it on the hush low low Secret low code don't let nobody no bout me and you ... for means keep it on a hush keep keep keep it On a hush keep keep keep it on a hush ... for means keep it on a hush keep keep keep it On a hush keep keep keep it on a hush Keep keep it on the hush hush low low Secret low code don't let nobody no Keep keep it on the hush hush low low Secret low code don't let nobody no Keep keep it on the hush hush low low Secret low code don't let nobody no Keep keep it on the hush hush low low Secret low code don't let nobody no Keep keep it on the hush hush low low Secret low code don't let nobody no bout me and you yeah (2x) Keep keep keep it on a hush Keep keep keep it on a hush
