

I Love Girls

Pleasure P

This goes down to my pretty, pretty girls
This goes down to my pretty, pretty girls
Pretty pretty girls, pretty pretty girls, girls

I like a big girl with a big booty
Small waist and the face she a cutie
I like skinny girls with them A cups
Long legs with them little bity butts
Yeah I like a big girl that can cook like my mama
She know the way through a man's heart's through his stomach
I like a innocent girl I can turn up
I like a pretty chick already turned up
I like them shy and dirty, a geek in glasses
College girls straight a's in the classes
I like a flirty personality,
a little tease she always making passes
I like them 30 or even older
Cause there ain't nothing like cougar to love
Pretty lady I'm a fool for ya
I wrote a song about who I love

I love girls, I love girls, I love girls so much I think I'm lesbianis, lesb
ianis,
Let's be honest, just being honest, just being honest
I love girls, I love girls, I love girls so much I think I'm lesbianis, lesb
ianis,
Let's be honest, just being honest, just being honest

I like a rich chick, spoiled and paid
I take a broke chick, that I can upgrade
I dig a thuged out broad that can dress up
Quick to fight a nigga every time I mess up
You ain't gotta be a model or a perfect 10
You give me a 7,8, or 9
Even if you a 5, shawty bring a friend
Cause 2 5's make a dime every time
I love them in the independent when they get it on they own
A daddy's girl who's still living at home
Even if she got a couple of kids, that's cool long as yo baby daddy know wha
t it is
I like them sexy, naughty, know how to party
Cause ain't nothing like groupie love

Little mama I'm a fool for ya
I wrote a song about who I love
I love girls, I love girls, I love girls so much I think I'm lesbianis, lesb
ianis,
Let's be honest, just being honest, just being honest
