Pleasure P

Father forgive me (swagg)

For I have sinned on this track (swagg)

I go by the name Pleasure P (swag, swag)

How can I ease the pain?

So much drama, so many problems I got to deal with (I'm so derange)

A nigga on t.v everyday and my mama still live in the hood (I'm so derange)

That's why I'm going crazy on this track and I'm tryna get this monkey out my back (I'm so derange)

And I don't give a fuck about the world, cause the world don't give a fuck about me

How can I ease the pain? (2x)

YEA! Blow in, Blow out, they gotta feel my pain on this one man!

Fuck you daddy I don't love you I put every nigga in the world above you

And if I ever see you again I'm a touch you, but until the day I die, I'm screaming FUCK YOU!

I'm making millions for the team so, doing shows every night shouldn't feel so cold

Now I'm top like a movie star, playing a part of a man being torn apart

And everyday is a new day, I'm drinking bottles of patron to fly away

Feel like I'm doing 90 on the freeway, asking the lord will I live to see another day
