Pleasure P

Baby, see, in first of all I wanna be more than just friends
So baby, turn the lights on
Now shll we begin

Cuz I wanna wait another day
You ready to scream? You gotta be
Cuz girl I just mght do the same

Baby you feel like pink crushed velvet
The sweetest I've ever felt before
Ooh and I knew soon as I felt it
Baby girl I knew I was gonna lose control
Baby I can't help it
I can't help it, I'm
