

What Kind Of Man

Pleasure P

What Kind Of Man Would Disrespect Girl
Having You Doing Things Out Of Your Character
What Kind Of Man Won't Set The Mood
Did I Do Things Your Man Won't Do
What Kind Of Man
Would Leave His Main Lady For The Show
What Kind Of Man
Would Leave His Woman Crying All Alone
What Kind Of Man
Won't Tell You That You're Beautiful
I Ain't Here To Break Your Heart
I'm Just Here To Love You

When I Go To The Club
You Think I'm Cheating
And When I Don't Answer My Phone
You Think I'm Cheating
When I'm Chilling Out With My Goons
You Think I'm Cheating
And When I'm Working Late
You Think I'm Cheating
You Think I'm Cheating
Baby All We Need Is Trust
I Ain't That Nigga That Broke Your Heart
So Don't Bring Your Insecurities
Into This Faithful Relationship
Cause I'm Just Here To Love Ya
I'm Just Here To Love Ya
Baby I'm Just Here To Love Ya
Woah Oh Woah
Baby I Just Want You To Know
I Really Really Love Ya I Will Never Break Your Heart

What Kind Of Man Wanna Make You Cry
Look You Dead In The Eye And Tell You A Lie
What Kind Of Man Won't Get On His Knees
Have You Screaming Please Baby Please Baby Please
What Kind Of Man Won't Love Your Body 7 Days A Week
What Kind Of Man Won't Let You Be A Freak Inbetween Them Sheets
What Kind Of Man Will Tap Out Too Many And Say We're Finished
I'm Just Here To Love Ya
Girl Just Me Love Ya

When I Go To The Club
You Think I'm Cheating
And When I Don't Answer My Phone
You Think I'm Cheating
When I'm Chilling Out With My Goons
You Think I'm Cheating
And When I'm Working Late
You Think I'm Cheating
You Think I'm Cheating
Baby All We Need Is Trust
I Ain't That Nigga That Broke Your Heart
So Don't Bring Your Insecurities
Into This Faithful Relationship
Cause I'm Just Here To Love Ya

I'm Just Here To Love Ya
Baby I'm Just Here To Love Ya
Woah Oh Woah
Baby I Just Want You To Know
I Really Really Love Ya I Will Never Break Your Heart

I Know You Got Trust Issues
But That's Just An Excuse
That Don't Give You A Reason To Accuse Me
Of Shit That I Don't Do

Baby All We Need Is Trust
I Ain't That Nigga That Broke Your Heart
So Don't Bring Your Insecurities
Into This Faithful Relationship
Cause I'm Just Here To Love Ya
I'm Just Here To Love Ya
Baby I'm Just Here To Love Ya
Woah Oh Woah
Baby I Just Want You To Know
I Really Really Love Ya I Will Never Break Your Heart
