

What Would You Say

Pleasure P

Yo, there is something that I gotta ask you
And if I don't do it. It just might hurt me in the long run.
Listen...

We've had our ups and downs, rounds and rounds, cries and laughs
And I know that me and you was a thing in the past.

But what if I told you that sometimes I sit and reminisce about it
Wondering if we could ever go back, Ohhhh
What would you say, What would you say
What would you do, Oh tell me what would you do
What would you say, If I told you that I'm still in love till this day
Tell me what would you say, oh oh.

Tell me what would you say, oh oh, ohh.
We've been through thick and thin, trials and trips, good and bad
And who would have known that me and you were the past.

Even though me and you have been through, going through it, too
.
My friends and family still ask about you.
So...

What would you say, Ohh, what would you say
What would you do, Tell me what would you do
-This following lines are song at the same time-
-What would you say
Would you tell me that you miss me or would you kiss me
Please Tell me-
If I told you that I'm still in love with you

What would you say, dum dum dum (3x)
