

Your Love

Pleasure P

Your love is so good, gonna make good love tonight baby.
Your body looking so fineeee...and I know you do it right baby

No question no waiting.
How long I been patient?
I'm ready to take you another level girl.

I'm gonna love you till I'm done if you get all til you want
And when you think its over that's when we can do it again

(Your love) your love (so good) good love (deserves an encore)
deserves an encore
(Your love) your love (so good) so good yeah (deserves an encore)
deserves an encore

Don't perry out girl (girl) its expensive ones tonight baby.
Don't lift a finger girl you just lay back and recline baby

Your body...so sexy I know that your ready I'll taste it
If you let me so sit back and just trust me girl

We had a few close encounters girl some kissing,
Some touching let's do it again.
I want to know all about ya your likes your wants.
I infatuated with your loveee...
