1 Mo Time lyrics
I know you caught me cheating and you tired of me lyin
I'mma be honest with you baby I know I crossed tha line
You don't wanna fuck with me no mo then cool, that's fine
But before you go babe can we fuck one more time
I know I fucked up and sorry ain't what you wanna hear But I ca
n't change that shit dog it is what it is
& you can go fuck another nigga if that's how you feel
If that's gon to make you feel better than gon do it hell
You asked me about this lil petty shit and I kept it real
I know that shit probably hard for you to swallow still
& I aint know how bad I hurt you til' I seen ya tears & I aint
askin you to accept how a nigga live
If you feel like another nigga can treat you better Then that's
 what it is
But let the truth be told it's been my pussy for years Now ya g
ot all ya lil home girls all up in ya ear
Just let's fuck one more time before you dip
I know it's probably best for us to go our seperate ways
Cause I know me I'mma fuck up again anyway
But in my mufuckin heart a nigga want you to stay
But once you fuck up this shit can never be straight
I'm dead ass wrong that's why I ain't got shit to say Bet you t
hink a nigga ain't give a fuck anyway
I just had to fuck you good the other day
& how that pussy was bitin shit I ain't wanna escape You rode t
hat dick so long until you started to shake & I can tell when y
ou would nut & see it in ya face I'mma miss fuckin you from the
 back and how I grabbed ya waist
Most of all I'mma miss how that pussy taste
It ain't another nigga who's going to fuck you like I Do
You talk that shit all you want but bay you know it's true
I fucked up I said I'm sorry now it's on you
You can play stupid and give me away if you want to
If you say fuck it, it's over, then I guess we through I know i
f I caught you cheating I'd probably cut you loose
Don't get it fucked up I ain't tryin to tell you what to do
Whatever decision you make I gotta live wit it
But whatever your answer is just make sure you can deal wit it
But if we do break up I'mma keep tryin to get it
This shit we goin through right now is real silly
Cuss me out and let's fuck bay and gon kill it
[Chorus 2x]
