When a nigga money fucked up it's hard for him to think straight  
Seem like a nigga life in park when he ain't got cake  
First thing that cross a bitch mind shid he gotta take  
U can stay broke forever or u can make a shape  
Cause when u broke bitch talk to u any kinda way  
U on ya dick bitch don't wanna here shit u gotta say  
If u ain't built for this street shit den get out the way  
Cause when a nigga broke everybody's fucking gravy

U think a nigga gone give u something den keep waiting  
U betta suck up yo mufucking pride and chase it  
Cause when a nigga broke he ain't pose to have patients  
My money looking funny nigga just making it barely shit ain't how it use to be nigga ain't  
Fronting the package gotta choke me a bitch outta something I gotta have it I'm on my

I don't kno if god trying to punish me or my luck just bad  
I don't kno which one of em it is but I need some fucking cash  
I rather be in prison broke then out here without a stash  
They say when it rains it purs then how will it last  
Before I let it rain on me I'm a let a bitch crash  
With all black on chie 5 and ske mask  
The streets judge off wat u got not wat u had  
I took a lost and it hurt me fucked me up bad  
It ain't no feeling in the world like loosing ya last  
I ain't got no choice I'm fucked up gotta bounce back  
Seems like it take forever to get to get it but u can loose it fast  
I rather a mufucka vist me while sitting behind a glass  
My money looking funny nigga just making it barely shit ain't how it use to be nigga ain't  
Fronting the package gotta choke me a bitch outta something I gotta have it I'm on my  
Dick dawg gotta make something happen  
The nigga that invented robbing I bet he was broke  
Cause when u fucked up out her it ain't no fucking joke  
And all bets off when a nigga money low  
A nigga willing to take chances he ain't neva took before  
And willing to cross a mufucka for the love of the dough  
I can't fault nigga cause I done did that shit before  
If u gone take it just be ready to play it how it go  
It's every nigga for self this shit cut throat  
I bet I past me a nigga for he past me tho  
For every nigga balling it's a hundred niggas hunting  
I don't kno if he told but these yung niggas thuggin
