

# Maybe

Plug in Stereo

Maybe it's meant to happen  
Maybe you and I could fall in love  
Maybe I'm out of practice  
But you're still the one I always wake up thinking of

Maybe I might get famous  
Maybe you and I can see the world at large  
Maybe I can't explain it  
But you're the person who will always have my heart  
Oh, oh

Life is full of maybes  
We'll never know what's next, so we'll sing  
Whoa, oh oh oh oh oh, oh  
Whoa, oh oh oh oh oh, oh

We could fall together  
And possibly, we can sing forever  
Whoa, oh oh oh oh oh, oh  
You and I

Maybe you'll find another  
Maybe I'll end up homeless; envious  
Maybe we'll hate each other  
That's impossible 'cause I will always want you here

Maybe I'll die of cancer  
Maybe all the stars above us will explode  
All of that doesn't matter  
'Cause in the end, it's obvious we'll never know  
Oh, oh

Life is full of maybes  
We'll never know what's next so we'll sing  
Whoa, oh oh oh oh oh, oh  
Whoa, oh oh oh oh oh, oh

We could fall together  
And possibly we can sing forever  
Whoa, oh oh oh oh oh, oh  
You and I

You and I  
Oh

Maybe is all that I can say  
I can't guarantee you anything  
But I'll try  
You and I
