

## Faithful

Plumb

I get up, I fall down  
Sometimes I feel like I am always on the ground  
You pick me up and brush me off  
And tell me that I'm good enough

You are faithful to me  
You are faithful to me  
I am not afraid no matter where I go  
You will never leave me  
In You I am home  
Cause you are faithful to me

I feel lost and on my own  
Isolation has me thinking I'm the only one  
But You show up and hold me close  
You tell me I am not alone

I am not alone, I won't be dismayed  
You will hold my right hand to help me  
I will have no fear  
You my God are here  
Standing right beside me
