

## Free

## Plumb

You thought you had me all tied up in a little knot  
You thought I'd go on living just  
like you like you until you asked me nicely to stop  
but suprise  
I'm free,  
I'm free,  
I'm Free

to be the girl you tried to steal  
You thought I'd freeze outwithered and abandoned  
Now you know differently that  
I'm gonna live much more than you ever imagined  
So suprise  
I'm free  
I'm free  
I'm free

to be the girl you tried to steal  
to be the girl you tried to steal from me  
It isn't every day  
someone sets you free  
and gives you walking papers  
to be the real thing  
I'm free  
I'm free  
I'm free  
to be the girl you tried to steal

I'm free  
I'm free, yea  
I'm free  
to be the girl you tried to steal  
to be the girl you tried to steal from me
