

# I Can't Do This

Plumb

I woke up late  
Guess I'm never really early  
I hesitate, only to fail  
I get so tired, of procrastinating  
I need a change

I can't do this  
I can't do this  
I can't do this by myself  
I can't do this  
I can't do this  
Oh God, I need your help

I'm standing still  
Move so peaceful  
I can't pretend  
That I'm fine  
I get so ill, crazy agitated  
When I've not really died

I can't do this  
I can't do this  
I can't do this by myself  
I can't do this  
I can't do this  
Oh God, I need your help

Press into me  
Breathe the air  
Bask in me  
You'll be free  
To do anything

I can't do this  
I can't do this  
I can't do this by myself  
I can't do this  
I can't do this  
Oh God, I need your help
