

## In My Arms

Plumb

Your baby blues  
So full of wonder  
Your curly cues  
Your contagious smile  
And as i watch  
You start to grow up  
All I can do  
is hold you tight

Knowing clouds will rage in  
Storms will race in  
But you will be safe in my arms  
Rains will pour down  
Waves will crash around  
But you will be safe in my arms

Story books are full of fairy tales  
Of kings and queens and the bluest skies  
My heart is torn just in knowing  
You'll someday see the truth from lies

When the clouds will rage in  
Storms will race in  
But you will be safe in my arms  
Rains will pour down  
Waves will crash around  
But you will be safe in my arms

Castles - they might crumble  
Dreams may not come true  
But you are never all alone  
'Cause I will always,  
Always love you  
Hey I,  
Hey I,

When the clouds will rage in  
Storms will race in  
But you will be safe in my arms  
Rains will pour down  
Waves will crash around  
But you will be safe in my arms, in my arms
