In My Arms

Your baby blues So full of wonder Your curly cues Your contagious smile And as i watch You start to grow up All I can do is hold you tight

Knowing clouds will rage in
Storms will race in
But you will be safe in my arms
Rains will pour down
Waves will crash around
But you will be safe in my arms

Story books are full of fairy tales Of kings and queens and the bluest skies My heart is torn just in knowing You'll someday see the truth from lies

When the clouds will rage in Storms will race in But you will be safe in my arms Rains will pour down Waves will crash around But you will be safe in my arms

Castles - they might crumble Dreams may not come true But you are never all alone 'Cause I will always, Always love you Hey I, Hey I,

When the clouds will rage in Storms will race in But you will be safe in my arms Rains will pour down Waves will crash around But you will be safe in my arms, in my arms
