

# My Sweet, My Lovely

Plumb

I tiptoe  
Hush hush...  
Pitter pat  
Goes my heart...  
Your beauty  
Your innocence

Joy is found  
With every kiss

My sweet, my lovely  
My sweet, my lovely  
So sweet, so lovely  
Close your eyes  
Close your eyes  
Close your eyes  
Close your eyes

I stare into  
The bluest eyes  
Time stands still in  
Your smile  
You weren't there  
And now you're here

I dreamed of you  
But I never know how...sweet and lovely

My sweet, my lovely  
So sweet, so lovely  
Close your eyes  
Close your eyes  
Close your eyes  
Close your eyes

My sweet, my lovely  
My sweet, my lovely  
So sweet, so lovely  
Close your eyes  
Close your eyes  
Close your eyes  
Close your eyes
