Need You Now (How Many Times)

Plumb

Well, everybody's got a story to tell And everybody's got a wound to be healed I want to believe there's beauty here 'Cause oh, I get so tired of holding on I can't let go, I can't move on I want to believe there's meaning here

How many times have you heard me cry out "God please take this"? How many times have you given me strength to Just keep breathing? Oh I need you God, I need you now.

Standing on a road I didn't plan Wondering how I got to where I am I'm trying to hear that still small voice I'm trying to hear above the noise

How many times have you heard me cry out "God please take this"? How many times have you given me strength to Just keep breathing? Oh I need you God, I need you now.

Though I walk, Though I walk through the shadows And I, I am so afraid Please stay, please stay right beside me With every single step I take

How many times have you heard me cry out? And how many times have you given me strength?

How many times have you heard me cry out "God please take this"? How many times have you given me strength to Just keep breathing? Oh I need you God, I need you now.

I need you now Oh I need you God, I need you now. I need you now I need you now
