

Walk Away

Plumb

I didn't call you cuz you would make a fuss,
So I wrote it in a song for you.
You're no longer where I am inside.
We're too different, me and you.
You can go your own way, and I'll go mine (just walk away).

You can take your chances, and I'll take mine.
It isn't easy to look you in the face.
Cuz all you speak of, is yourself.
You don't represent me, it makes me cringe inside.
Can't you just forget where I am?
You can go your own way, and I'll go mine (just walk away).
You can take your chances, and I'll take mine (yeah).

Can't find any reason for you and I to stay.
Can't find any reason not to walk away.
(Just walk away)
(Just walk away)
(Just walk away)
(Just walk away)

You can go your own way, and I'll go mine (just walk away).
You can take your chances, and I'll take mine (just walk away).
You can go your own way, and I'll go mine (I'll go mine).
You can take your chances, and I'll take mine (I'll take mine).

(I'll take mine)
(Just walk away)
(Just walk away)...
just walk away
