

I Need A Miracle

Plus One

Chorus

Tell me

What's it gonna take

I'm running out of prayers, Lord

Can't You see I'm helpless

Down here on my knees

I'm begging You please

There's nothing left for me to do

I need a miracle from You

Nate

I'm tired of days

That feel like this

When hurt is like a rope

Wrapped around my wrist

Jason

I know You're listening

I know it's in Your hands

But still I'm out here in the dark

I just don't understand

Chorus

Jeremy

I know You're tired

With plans to keep

Off saving someone's life

Or calming stormy seas

Jason

But I'm not asking You

To bring me back the moon

All I need is a little help

That can only come from You

Chorus

Nathan

How long

Can I go on this way

I need You to plead my case

Nate

Woah, and turn this thing around
