

# I Will Rescue You

Plus One

When your days are dark  
And your nights are cold  
When you've just about  
Lost all your faith  
When your will is gone  
And your heart is torn  
'Cause nothing is going your way  
When the world has  
Got you trapped  
And you can't find that open door  
If you're ever in a battle  
And you just can't fight no more

[c h o r u s]  
I will rescue you  
I will rescue you  
I will shelter you from the rain  
I will dry your tears  
Cast away your fears  
And bring you to brighter days  
Whenever you're lost and confused  
Like a fairy tale come true  
I will rescue you

If you ever feel  
That you can't go on  
When your life just  
Becomes too hard  
And the dreams you thought  
Were within your reach  
Suddenly seem so far  
When the world is on your case  
And you don't have  
A place to run  
If the storm keeps getting stronger  
And you cannot see the sun

[c h o r u s]

And it don't matter where you are  
I'll be by your side  
I'll be the rock that you can lean on  
I'll be your guide
