

# Let Me Be The One

Plus One

Under the silver stars  
Anywhere you are  
Near or far you are close to me  
When you don't understand  
And when you think nobody can  
I'll be the friend and the hope  
you need

[Chorus:]

Let me be the one  
Leading you through the night  
Sharing the smiles and tears you cry  
Let me be the one  
Lovin' you when you're weak  
For all the strength you need  
You can come to me  
(When you're down and you feel so lonely...turn around...you can  
come to me...when you're down  
you know I will be the only...Come to me)

I will be by your side  
When you wanna break down  
and cry  
I'll make you promises you  
can believe  
For the kind of love you can trust  
For escape from the hopelessness  
Don't you know that you can  
come to me

[Repeat Chorus]

And I believe beyond, the setting  
of the sun  
At then end of the day  
My love stays for you...my love stays

[Repeat Chorus]
