

# Run To You

Plus One

Sometimes when the world  
Gets so cold  
And my heart  
Is fifteen below  
And I feel like I'm  
So far from home  
I run to You

When life doesn't  
Go like I plan  
So confused and  
I don't understand  
It's hard 'cause  
It's out of my hands  
And this is what I do  
When I got  
Nothing left to give

[c h o r u s]  
I run to You  
When I can't find my way  
And I get lost in You  
When I don't have the faith  
When I don't know what to do  
I feel I can't make it through  
I run to You

So it goes, every life has some rain  
Everyone's gotta deal with the pain  
But I know how to make it ok  
I tell You what I do  
When my back's  
Up to the wall You know

[c h o r u s]

You are my light  
You're my everything  
In a place of chaos You're the  
One thing that brings me peace  
I'll give my heart, I'll give my all  
When I'm beat down  
You're always standing tall

I run to You  
I'm so lost in You  
When I need You  
Oh I need to
