

Me,
It was always all about me
My job, my plans, my time
That's all I cared about
Myself, I only need myself
To get me through my life
But suddenly I found... That...

[Chorus:]
I want, I need
I crave, I breathe
I feel, I hold
I dream, I know
I trust, I love
You

Life, I'm just discovering life
How magical it is
Because of all you are
These days,
I wake up and I'm amazed
How much I want to give
Since you touched my heart

[Repeat Chorus]

[Bridge:]
It wasn't luck
It wasn't fate (No it wasn't fate)
There's just one reason my world's changed
(One reason my world's changed it was you)

[Repeat Chorus]
