

Me,  
It was always all about me  
My job, my plans, my time  
That's all I cared about  
Myself, I only need myself  
To get me through my life  
But suddenly I found... That...

[Chorus:]  
I want, I need  
I crave, I breathe  
I feel, I hold  
I dream, I know  
I trust, I love  
You

Life, I'm just discovering life  
How magical it is  
Because of all you are  
These days,  
I wake up and I'm amazed  
How much I want to give  
Since you touched my heart

[Repeat Chorus]

[Bridge:]  
It wasn't luck  
It wasn't fate (No it wasn't fate)  
There's just one reason my world's changed  
(One reason my world's changed it was you)

[Repeat Chorus]
