Dancing On The Water

Pnau

Live by the river
Sat by an ocean
We ate all the hamburgers
And rode on the range

Skipping on empty
We're clutching uneasy
We saving unfriendly
Dancing in the water

A planted a forest

And spoke to the tree line
Live for the moment
You'll see that you're not mine

I won an emmy
And everyone tells me
But I wouldn't tell them what...

Dancing on the water
