

# Shock To My System

Pnau

Now the water, it is rising  
Just like a stone, i am falling  
Shoulder to shoulder, people standing  
Dressed in black and white, all the same

uhohuhoh

a shock to my system  
and it's a shock to my soul  
yeah it's a shock to my system  
and it's a shock to my soul

its far too late, too late to say sorry  
its far too late to ever come on back  
its far too late, too late to say sorry  
and its far too late to ever come on back

uhohuhoh

a shock to my system  
and it's a shock to my soul  
yeah it's a shock to my system  
and it's a shock to my soul
