

All Fired Up

Poco

All fired up
me and the boys
we're gonna' make a little noise
turn up the heat
get up on your feet and get all fired up

All fired up
kick up your heels
don't you love how it feels
let's do it all again
like we did back when we were all fired up

Turn up the music grab the mandolin
get ready the boys are diggin' in
a thumpin' bass and a kickin' kick
come on let it rip
hey we're all fired up

All fired up
what do you say
when you feel this way
do a little dance
take a little chance and get all fired up

I've got a feelin' tonight's the night
I don't know why, but it just feels right
maybe it's me and maybe it's you
what are you gonna' do
when you're all fired up

All fired up
me and the boys
we're gonna' make a little noise
turn up the heat
get up on your feet
and get all fired up
do a little dance
take a little chance and get all fired up
get all fired up
