

# Forever

Poco

I know what makes you smile  
I know what makes you cry  
If you could count them up  
There's a million reasons why  
You and I were meant to be  
Easy as one, two, three  
Just you and me  
You know what turns me on  
You know my every mood  
You show me how to do those things  
I didn't even know I could  
You and I were meant to be  
Simple as one, two, three  
You and me  
(It seems like) almost forever  
As long as I can remember  
I've been in love with you  
And I know that now and forever  
We'll be together  
We'll see this love through forever and ever  
Never gonna let you down  
Never gonna break your heart  
Always gonna be the one  
Who never wants to be apart  
You and I were meant to be  
Easy as one, two, three  
You and me  
Like breathing in and breathing out  
There's no question , there's no doubt  
All my wishes, all my dreams  
They all come back to you
