

Go and Say Goodbye

Poco

You asked me to read this letter
That you wrote the night before
And you really should've known better
'Cause she's worth a whole lot more

Brother, you know you can't run away and a hide
Is it you don't want to see her cry
Is that why you don't go and say goodbye
And say goodbye

Then you said the fault was yours
And you really was to blame
'Twas as if to close the door
And to hide away in shame

Brother, you know you can't run away and a hide
Is it you don't want to see her cry
Is that why you don't go and say goodbye
And say goodbye

Yes and why tell me why
Can't you see that it's not right
It's a lie, it's a lie
Don't hide your sorrow in the night brother

Brother, you know you can't run away and a hide
Is it you don't want to see her cry
Is that why you don't go and say goodbye
And say goodbye

Salt Creek

Yes and why tell me why
Can't you see that it's not right
It's a lie, it's a lie
Don't hide your sorrow in the night

Brother, you know you can't run away and a hide
Is it you don't want to see her cry
Is that why you don't go and say, you don't go and say
You don't go and say goodbye

Brother, you know you can't run away and a hide
Is it you don't want to see her cry
Is that why you don't go and, you don't go and
You don't go and say goodbye
