

# Heart of the Night

Poco

In the heart of the night  
In the cool southern rain  
There's a full moon in sight  
Shining down on the Pontchartrain

And the river she rises  
Just like she used to do  
She's so full of surprises  
She reminds me of you  
In the heart of the night  
In the heart of the night  
In the heart of the night  
Oh, whoa, down in New Orleans

There's a night bird singing  
Right on through till the dawn  
And the streets are still ringing  
With people carrying on

It's been so long waiting  
Just to be here again  
Anticipating  
All the time I could spend  
In the heart of the night  
In the heart of the night  
In the heart of the night

And I trust in your love never falling down  
I trust in your love  
Just like I do in this town  
Whoa, never falling down  
Whoa, never falling down

In the heart of the night  
In the cool fallin' rain  
There's a full moon in sight  
Shining down on the Pontchartrain

And the river she rises  
Just like she used to do  
She's so full of surprises  
Oh, momma, she reminds me of you  
Right here, in the heart of the night  
In the heart of the night  
In the heart of the night  
Down in New Orleans

And I'm so glad to be back in New Orleans  
Please don't wake me, don't shake me  
If it's only, if it's only just a dream  
It's the only place I can face that feels so right  
Below that Dixie moon and loving you  
In the heart of the night
