Hoe Down

Well, I'm going to a hoe down And kick up my heels Go all night and never slow down Yes, I love how it feels

Said I'm going to a hoe down And kick up my heels You go all night and never slow down I love how it feels

Come on and go to the hoe down And kick up your heels You go all night and never slow down I bet you'll love how it feels

Yes, I'm going to a hoe down And kick up my heels Go all night and never slow down I love how it feels, yes true
