

Living In The Band

Poco

Alright

In the beginning
Not so long ago
There were five country rockers

I saw the very first show
And I jumped up with the crowd
To give a standing hand

Livin', livin' in the band, yeah
Oh, livin'

There were two from Colorado
Texas and Nebraska too
Another came from Ohio

And they did not sing the blues
You had the feeling
They had nothing to lose

Livin', livin' in the band

Through the years and the changes
And with the will of a train
Some have parted strangers
Some have stayed in the game

And sooner or later
You've got a winning hand
Livin', livin' in the band
Oh, livin' in the band, yeah

Through the years and the changes
And with the will of a train
Some have parted strangers
Some have stayed in the game

And sooner or later
You've got a winning hand
Livin', livin' in the band, oh, livin'

Livin', livin' in the band
Livin', just livin' in the band, c'mon
Livin', livin' in the band
Livin', just livin' in the band
In the band

Livin', livin' in the band
Say, livin' just livin' in the band, alright
Livin', livin' in the band
I'm down the world
Livin' in the band
