## Living In The Band

Alright

In the beginning Not so long ago There were five country rockers

I saw the very first show And I jumped up with the crowd To give a standing hand

Livin', livin' in the band, yeah Oh, livin'

There were two from Colorado Texas and Nebraska too Another came from Ohio

And they did not sing the blues You had the feeling They had nothing to lose

Livin', livin' in the band

Through the years and the changes And with the will of a train Some have parted strangers Some have stayed in the game

And sooner or later You've got a winning hand Livin', livin' in the band Oh, livin' in the band, yeah

Through the years and the changes And with the will of a train Some have parted strangers Some have stayed in the game

And sooner or later You've got a winning hand Livin', livin' in the band, oh, livin'

Livin', livin' in the band Livin', just livin' in the band, c'mon Livin', livin' in the band Livin', just livin' in the band In the band

Livin', livin' in the band Say, livin' just livin' in the band, alright Livin', livin' in the band I'm down the world Livin' in the band
