

On The Way Home

Poco

When the dream came I held my breath with my eyes closed
I went insane like a smoke ring day when the wind blows
Now I won't be back till later on if I do come back at all
But you know me and I miss you now.

In a strange game I saw myself as you knew me
When the change came and you had a chance to see through me
Though the other side is just the same you can tell my dream is
real
Because I love you, can you see me now ?

Though we rush ahead to save our time, we are only what we feel
And I love you, can you feel it now, yes ?
