Poco

I've got my head up on the ceiling
And i can't see myself lookin' down
At a heartthat has no feelin'
And i could not care when you come around

I'm tryin' to find a way to tell you, Oh, my woman, you got to leave And leave my life and try to make do To somebody who will believe

If they could see through you to all of your lies And take some time and maybe realize That it's over before it began And you're leavin' to find another man, oh.

I've got my head up on the ceiling
And i can't see myself lookin' down
At a heartthat has no feelin'
And i could not care when you come around

And i could not care when you come around.
