

# Under the Gun

Poco

Now and then you see me falling, way behind the things I need to do

Don't you believe I've missed my calling, I'm just the one to play your fool

Under the gun, under the gun, I'm down and crawlin' like I've never done

Under the gun, under the gun, standing in my own way and nowhere to run

Waited so long it felt like a lifetime and looking up just seemed so far away

Between these walls I live on the bottom line

It's just enough to get me through the day

Now and then you see me falling, way behind the things I need to do

Don't you believe I've missed my calling, I'm just the one to play your fool
