

Us

Poco

Silence is all we have
Between us
To see us
Through the night

Make believe, just pretend
We'll always
And always
Have love

And when the time
Has come for us
To speak our peace
Will there be nothin' left for us
But memories

Or will we make
The same mistakes
We made before
But just go on pretendin' that there's
Nothin' more

And make believe, just pretend
We'll always
And always
Have love
