

Silence is all we have  
Between us  
To see us  
Through the night

Make believe, just pretend  
We'll always  
And always  
Have love

And when the time  
Has come for us  
To speak our peace  
Will there be nothin' left for us  
But memories

Or will we make  
The same mistakes  
We made before  
But just go on pretendin' that there's  
Nothin' more

And make believe, just pretend  
We'll always  
And always  
Have love
