

Beautiful Girl

Poe

Someone's gotta hear this...
Beautiful girl,
You must've been a beautiful baby too
Beautiful woman,
You must've had your moments inside the sun
Beautiful girl

Beautiful stranger
Why do you have to walk with your head hung low
Beautiful girl

Your eyes are mockingbirds inside a gilded cage
Your life's a silent movie that I haven't heard for ages
Tell me everything, someone's gotta hear this
Beautiful thing

Beautiful mother, frozen in ice
I've waiting for you to grow for my whole life
Beautiful girl

Your eyes are mockingbirds inside a gilded cage
Your life's a silent movie that I haven't heard for ages
Tell me everything, someone's gotta hear this
Beautiful thing (so beautiful)
